

St. Edward's
Catholic Primary School

Curriculum Intent

Humanities: Geography

Celebrating
Our
Diversity

We are learning that we are all unique and different in many ways and these differences are to be celebrated.

We are learning to think for ourselves and form our own opinions about the world in the past, present and in the future.

Creating
Independent
Thinkers

Producing
Global Citizens
in a Caring
Community

We are learning about the wider world and our place in it, how to make our planet and our local area equal, fair and sustainable.

We are learning to make our learning journeys as interactive and creative as possible.

Developing
Opportunities
Through Our
Curriculum

Aspiring
To Be
Technological
Innovators

We are learning to introduce new technological methods, ideas and products into our everyday learning experiences.

'Following Christ we reach our goals'
