St Pope John Paul II, inspired and challenged young people to become saints:

"Young people of every continent, do not be afraid to be the saints of the new millennium! Be contemplative, love prayer; be coherent with your faith and generous in the service of your brothers and sisters, be active members of the Church and builders of peace. To succeed in this demanding project of life, continue to listen to His Word, draw strength from the Sacraments, especially the Eucharist and Penance. The Lord wants you to be intrepid apostles of his Gospel and builders of a new humanity."

"It is the duty of every man to uphold the dignity of every woman"
— Pope St. John Paul II

'Following Christ we reach our goals'

From September 2020, guidance from the Department for Education for Relationships Education, Relationships and Sex Education (RSE) and Health Education becomes mandatory for all Schools, including Catholic Schools.

This initiative has been welcomed by the Catholic Education Service (CES), who state clearly that, Catholic schools are also required to deliver RSE in accordance with the teaching of the Church. RSE is part of the mission of Catholic schools to educate the whole person. It should be carried out as part of the holistic education, which seeks to form as well as inform young people in preparation for adult life.

SUMMARY OF DFE CONTENT FOR PRIMARY SCHOOLS

1. Relationship Education

Relationships Education and Relationships and Sex Education will put in place the building blocks needed for positive and safe relationships, including with family, friends and online. Here at St Edward's we continue to use **A Journey in Love** scheme as recommended by the diocese.

Children will be taught what a relationship is, what friendship is, what family means and who can support them. In an age-appropriate ways, children will cover how to treat each other with kindness, consideration and respect. By the end of primary school, pupils will have been taught content on:

- families and people who care for me
- caring friendships
- respectful relationships
- online relationships
- being safe

2. Health Education

Health Education aims to give your child the information they need to make good decisions about their own health and wellbeing, to recognise issues in themselves and others, and to seek support as early as possible when issues arise. By the end of primary school, children will have been taught content on:

- mental wellbeing
- internet safety and harms
- physical health and fitness
- healthy eating
- facts and risks associated with drugs, alcohol and tobacco
- health and prevention
- basic first aid
- changing adolescent body

'Following Christ we reach our goals'

Here at St Edward's are working with the guidelines provided by the Catholic Education Services and Brentwood Diocese that offer perspectives on the provision of outstanding Relationships Education, Relationships, Sex Education, and Health Education in Catholic schools as follows:

In order for Catholic Relationships Education, relationships, sex education, and health education to be fully effective it needs to:

- Be faithful to the Church's vision of human wholeness whilst recognising the contemporary context in which we live today;
- Involve parents as they are primary educators of their child;
- Provide a positive view of human sexuality and dignity of the human person;
- Equip young people with the ability to make practical judgments about the right thing to do in particular circumstances;
- Explore and promote virtues which are essential to promoting respect and dignity;
- Be delivered in an age appropriate way which reflects the development of the child;
- Be part of the cross-curricular work in both primary and secondary schools;
- Be sensitive to the needs of the individual pupil and recognise the mix of pupils with different sexual orientations, genders and family backgrounds in each class;
- Be taken seriously by governors and teachers as an integrated part of the broad and balanced curriculum that Catholic schools offer;
- Be delivered by competent professionals who understand the Church's teaching.¹

The CES further accentuates that any teaching about love and sexual relationships in a Catholic school must be rooted in the Catholic Church's teaching about what it is to be truly human in Christ, what it means to live well in relationship with others and be presented within a positive framework of Christian virtue.

The provision for RSE will the following pedagogical principles:

- Progressive & Developmental
- Differentiated
- **Cross-curricular: RE, IT, PE, Science, Music, Art, English, Health Ed.**
- Integrated
- Co-ordinated
- Balanced

"Please",
"thank you",
and "sorry"
are "words that open up the
road to a **good family life**."

"Our schools need to be places where everyone feels valued for their innate dignity." Pope Francis

AIM of RSE

In partnership with our parents we aim to provide children with a “positive and prudent sexual education” which is compatible with their physical, cognitive, psychological, and spiritual maturity, and rooted in a Catholic vision of education that believes each person is made in the image and likeness of God.

Objectives:

To develop the following attitudes and virtues:

- Reverence for the gift of sexuality;
- Respect for the dignity of every person – in their own person and in the person of others;
- Joy in the goodness of the created world and their own bodies;
- Responsibility for one's actions and a recognition of their impact on others;
- Recognising and valuing their own sexual identity and that of others;
- Celebrating the gift of life-long, self-giving love;
- Recognising the importance of marriage and family life;
- Faithfulness in relationships.²

To develop the following personal and social skills:

- Making sound judgements and good choices; which have integrity and which are respectful of the individual's commitments;
- Loving and being loved, and the ability to form friendships and loving, stable relationships free from exploitation, abuse and bullying;
- Managing emotions within relationships, including when relationships break down, with confidence, sensitivity and dignity;
- Managing conflict positively, recognising the value of difference;
- Cultivating humility, mercy and compassion, learning to forgive and be forgiven;
- Developing self-esteem and confidence, demonstrating self-respect and empathy for others;
- Building resilience and the ability to resist unwanted pressures, recognising the influence and impact of the media, internet and peer groups and so developing the ability to assess pressures and respond appropriately;
- Being patient, delaying gratification and learning to recognise the appropriate stages in the development of relationships;
- Assessing risks and managing behaviours in order to minimise the risk to health and personal integrity.³

To know and understand:

- The Church's teaching on marriage and the importance of marriage and family life;
- The centrality and importance of virtue in guiding human living and loving;

²

³

- The physical and psychological changes that accompany puberty;
- The facts about human reproduction, how love is expressed sexually and how sexual love plays an essential and sacred role in procreation; (Parents have the right to withdraw their child from this part of the curriculum);
- How to keep themselves safe and where to go for advice.⁴

Bishops' Conference of England and Wales states:

"We expect all Catholic schools to ensure that space is made in the curriculum for Relationship and Sex Education (RSE). The content of what is taught must express the teaching of the Church, and should be delivered to suit the age of the children or young people to whom it is addressed. We need to recognise that without providing an education in this area, we leave many young people vulnerable to receiving their education second-hand and often from sources, which damage them and their capacity to love." *Learning to Love: An Introduction to Catholic Relationship and Sex Education (Relationships Education, Relationships and Sex Education and Health Education) for Catholic Educators, (page 3).*

ROLES AND RESPONSIBILITIES

Safeguarding Procedures

The school has procedures and policies in place to deal with any sensitive issues or pupils thought to be vulnerable. All staff will pass on any concerns of this nature to the designated child protection officer in school.

The Role of the Parent

The school recognises that parents/carers are the primary educators of their children and will seek to support them in their task. It will ensure that parents/carers are consulted with and kept fully informed of what is happening in RSE in terms of content, delivery, timing and evaluation.

The Right of Withdrawal

Parents have the legal right to withdraw their children from sex education where this is not contained in the National Curriculum. It is hoped that parents would see the importance of educating children in these matters within the context of the faith.

The Role of the Governors

The Foundation Governors of Catholic schools are appointed by the Bishop in order to promote and safeguard the Catholicity of the school. Governors will consult on, and approve the RSE policy in accordance with the Catholic character of the School and in line with other policies. They will ensure that the policy is made available to parents and will advise them of their right to withdraw their children. Governors will also ensure that there is an effective

system for the monitoring and evaluation of the RSE policy, programme and related resources used.

The Role of the Headteacher

The Headteacher has overall delegated responsibility for the implementation of the Relationships Education, Relationships and Sex Education and Health Education policy and its integration into the school's curriculum and Catholic life.

The Role of Staff

Relationships Education, Relationships, Sex Education, and Health Education is a whole school issue. All staff will be involved in developing children's personal and social skills and the attitudes and virtues aspect of Relationships Education, Relationships and Sex Education and Health Education programme.

The Role of the Coordinator

The RE Coordinator will implement inset for staff in order to develop and enrich their knowledge of this area of the curriculum, and, will monitor the teaching of Relationship and Sex Education in the school

PROGRAMME

St Edward's Catholic Primary School has agreed to follow the programme '*A Journey in Love*' as recommended by the Diocese of Brentwood alongside RSE Coordinator and Foundation Governor.

Teaching will be whole class, mixed gender learning, with the opportunities for a separate boys and girls forum to facilitate the needs of the individual child if necessary or requested. Children with Special Educational Needs and disabilities (SEN - D) will have support in varying ways depending upon their individual needs and in consultation with their parents/carers.

MONITORING AND EVALUATION

This policy will be monitored annually by the RSE Coordinator and reviewed annually by the Governing Body. Parents/carers will be consulted with, if any changes or adaptations are proposed.

APPENDIX 1

OVERVIEW OF JOURNEY IN LOVE

Early Years: The wonder of being special and unique.

AIM: To explore the wonder of being special and unique.

Year 1: We meet God's love in our family.

AIM: To focus on families and specially growing up in a loving, secure and stable home.

Year 2: We meet God's love in the community.

AIM: To describe how we are growing and developing in diverse communities that are God – given.

Year 3: How we live in love.

AIM: To describe and give reasons for how we grow in love in caring and happy friendships where we are secure and safe.

Year 4: God loves us in our differences.

AIM: To make links and connections to show that we are all different. To celebrate these differences as we appreciate that God's love accepts us as we are now and as we change.

Year 5: **God loves us in our changing and developing.**
AIM: Show a knowledge and understanding of how we grow in awareness of the physical and emotional changes that accompany puberty – sensitivity, mood swings, anger, boredom etc. and grow further in recognising God's presence in our daily lives.

Year 6: **The wonder of God's love in creating new life.**
AIM: To develop a secure understanding of what stable, caring relationships are and the different kinds there may be. Focusing on Catholic teaching, children will also know and understand about the conception of a child within marriage.

Learning to love encompasses a range of relationships not just sexual ones, because human beings flourish through various and different relationships with other people. God's gift of friendship is a way of loving, and while sexual loving presupposes friendship, friendship does not require full sexual involvement. Cardinal Basil Hume.___

APPENDIX 2

OVERVIEW OF MAPPING GRID

	JOURNEY IN LOVE	DFE GUIDANCE
Early Years Aim: To explore the wonder of being special and unique.	1. Social and Emotional LI: To recognise the joy of being a special person in my family. 2. Physical LI: To recognise that we are all different and unique. 3. Spiritual LI: To celebrate the joy of being a	Families and people who care for me Families are important for children growing up, because they can give love, security and stability. That others' families, either in school or in the wider world, sometimes look different from their family, but that they should respect those differences and know that other children's families are also characterized by love and care. Caring friendships How important friendships are in making us feel happy and secure, and how people choose and make friends. Respectful relationships The importance of respecting others, even when they are very different from them, (for example, physically, in character, personality or backgrounds), or make different choices or have different preferences or beliefs.

	special person in God's family.	Being safe How to recognize and report feelings of being unsafe or feeling bad about any adult. How to ask for advice or help for themselves or others and to keep trying until heard. How to report concerns or abuse and, the vocabulary and confidence needed to do so, and where to get advice.
--	---------------------------------	---

The aesthetic experience of love is expressed in that "gaze" which contemplates other persons as ends in themselves, even if they are infirm, elderly or physically unattractive.

Love opens our eyes and enables us to see, beyond all else, the great worth of a human being.

The joy of this contemplative love needs to be cultivated.

Since we were made for love, we know that there is no greater joy than that of sharing good things: "Give, take, and treat yourself well" (Sir 14:16).
 The most intense joys in life arise when we are able to elicit joy in others, as a foretaste of heaven.
Amoris Laetitia (128/9)

Year 1

Year 1 Aim: To focus on families and specially growing up in a loving, secure and stable home.	1. Social and Emotional LI: To recognise the signs that I am loved in my family. 2. Physical LI: To recognise how I am cared for and kept safe in my family. 3. Spiritual LI: To celebrate ways that God loves and cares for us.	Families and people who care for me Families are important for children growing up because they can give love, security and stability. The characteristics of a healthy family life: commitment to each other, including in times of difficulty, protection and care for children including other family members, the importance of spending time together and sharing each other's lives Caring friendships How important friendships are in making us feel happy and secure, and how people choose and make friends. That healthy friendships are positive and welcoming towards others, and do not make others feel lonely or excluded. How to recognise who to trust and who not to trust, how to judge when a friendship is making them feel unhappy or uncomfortable, managing conflict, how to manage these situations and how to seek help or advice from others, if needed. Respectful relationships The importance of respecting others, even when they are very different from them, (for example, physically, in character,

Relationships and Sex Education

Staying Safe including Drug Education

Year 4

- I feel good about myself and my body
- I know the importance of taking care of my own body
- I know I have the right to protect my body from inappropriate and unwanted contact
- I understand the language used to describe feelings and changes
- I understand the main stages of the human life cycle
- I know some of the ways that my body and emotions will change as I grow into an adult through the stages of puberty including physical differences (height, weight, perspiration, changes in skin)
- I know that puberty is linked to reproduction
- I know the names for different male and female body parts and **introduce** their functions (vagina and penis are organs used to excrete bodily waste and are the organs involved in sexual reproduction)
- I can respond appropriately to other people's feelings
- I can describe some of the different beliefs and values in society and demonstrate respect and tolerance towards people different from me
- I am aware of different types of relationships including those between friends and families, civil partnerships and marriage
- I can identify some factors that affect emotional health and wellbeing e.g. relationships with family and friends, stress levels, physical activity, diet, self-image, media
- I can make informed choices about healthy eating and exercising
- I can use the internet as a resource to support my work, and begin to understand plagiarism
- I know that not everything on the internet is true and know what to do if I access something inappropriate
- I can use a range of online communication tools to exchange information and collaborate with others within and beyond my school e.g. school blogs, email, instant messaging, social networking, online gaming and mobile phones
- I understand the need to keep some information private in order to protect myself when communicating online (passwords, address, distributing images of myself and others)
- I begin to recognise how electronic communications may be used for manipulation or persuasion
- I can take responsibility for my own choices, behaviour and safety and realise that actions have consequences
- I can begin to understand some of the influences on my personal choices in relation to smoking or other substances (caffeine, alcohol, tobacco) and the consequences of those choices
- I have some strategies to cope with peer influence and peer pressure and can apply these to a range of scenarios, including substances I know who to go to if I need help

Primary Safety Skills Ladder

Key Stage 1 & 2

E-Safety

Keeping Healthy

Relationships and Sex Education

Staying Safe including Drug Education

Year 5

I can name the parts of the male and female reproductive organs

I know and explain the ways in which boys and girls grow and develop in puberty physically and emotionally

I understand how to manage the physical and emotional changes of puberty

I understand the importance of good hygiene routines as I grow into an adult

I know where I can get support during puberty both within and outside of school

I know where individuals, families and groups can get help and support

I understand the safe and simple routines to prevent the spread of bacteria and viruses

I am aware of different types of relationships including those between friends and families, civil partnerships and marriage

I recognise that as I approach puberty, how people's emotions change and how to deal with my feelings towards myself, my family and others in a positive way

I know where individuals, families and groups can get support

I know that marriage is a commitment freely entered into by both people and that no one should enter a marriage if they don't want to

I know what makes a healthy relationship and understand that sometimes people make bad choices and abuse the person they are in a relationship with

I am aware that differences and similarities between people arise from a number of factors including family, cultural, ethnic, racial and religious diversity, age, sex, sexual orientation and disability

I can identify a range of risks connected to realistic and relevant drug situations for my age

I understand the influence of peers in making risky or unsafe choices and feel confident to deal with these influences

I know which commonly available substances and drugs are legal and illegal, their effects and risks and can identify and use strategies to reduce those risks

I know the dangers from handling discarded syringes and needles

I understand the concept of 'keeping something confidential or secret', when we should or should not agree to this and when it is right to 'break a confidence' or 'share a secret'

I know who to go to if I need help

I know what makes a healthy lifestyle- the benefits of exercise and

healthy eating and the factors that affect mental health, including positive self-image

I know how to make informed healthy lifestyle choices

Year 5

I can recognise the need to ask appropriate questions to find answers

I understand that good online research involves processing the information (rather than copying) and interpreting it for others

I recognise that not all information on the internet is accurate or unbiased (advertising) and am able to develop strategies for identifying the origin of a website

I recognise issues of copyright and the importance of acknowledging sources

I can use online tools to exchange information and collaborate with others within and beyond my school and begin to evaluate their effectiveness

I understand the potential risks of providing personal information in an increasing range of online technologies both within and outside school, including the distribution of images of myself and others

I recognise my own right to be protected from the inappropriate use of technology by others and the need to respect the rights of other users

I can evaluate my own use of web-publishing tools and how I present myself on-line

Primary Safety Skills Ladder

Key Stage 1 & 2

E-Safety

Keeping Healthy

Relationships and Sex Education

Staying Safe including Drug
Education

Year 6

I recognise different risks in different situations and then decide how to behave responsibly, including judging what kind of physical contact is acceptable or unacceptable

I can name and explain the human reproductive organs in males and females

I know the ways in which boys and girls grow and develop in puberty to prepare the body for reproduction and that this can happen at different times

I know the age at which a person in the UK is able to consent to sexual activity and I understand what *consent* is

I know some facts about human reproduction including conception, pregnancy and birth and that contraception can be prevented by the use of contraception (condoms)

I understand that there are lots of things to consider before having a baby

I know how to keep my body healthy and clean during puberty

I recognise that as I approach puberty how peoples' emotions change at that time and how to deal with my feelings towards myself, others and my family in a positive way

I know some of the reasons why adults choose to have sex in a relationship and that tis cn be influenced by cultural and religious views

I know that female genital mutilation is a crime and how t get support if I have fears about myself and others

I am able to recognise and challenge stereotypes

I realise the nature and consequences of discrimination, teasing, bullying and aggressive behaviours (including gay lesbian, bisexual and transsexual and those suffering from poor mental health), and how to respond to this and ask for help

I know some of the ways that people show they love and care for each other in a relationship

I understand that there are different types of adult relationship and can explain the qualities of a positive relationship

I have thought about when it is appropriate to share personal information in a relationship

I know families are important for having babies and bringing them up

I understand that abuse in relationships is against the law and know where people can go for help in this situation

I know that civil relationships and marriage are a public demonstration of the commitment made between two people who love and care for each other and want to spend their lives together and who are of the legal age to make that commitment.

I know that there are some cultural practices which are against the law and universal rights e.g honour based violence, forced marriages, human trafficking etc.

I understand the effects, risks and consequences of drug use on the body and mind, including addiction and the effect on young children who are still growing.

I know basic emergency aid procedures (IMPS)

I know that pressure to behave in an unacceptable or risky way (social media, relationships) can come from a variety of sources, including people I know

I know how to ask for help and have a range of strategies to resist pressure and distinguish between positive and negative influences

I understand the influence of the media in relation to alcohol and drugs and know where to access reliable sources of information and support around substances (FRANK)

I understand the basic law in relation to substances

I understand that there are a range of influences for example the media that can have an effect on physical and emotional health and wellbeing, e.g. eating disorders etc...

I recognise that not all information on the internet is accurate or unbiased (advertising) and develop a range of strategies for identifying the origin of a website

I understand the issues of plagiarism, copyright and data protection in relation to my work

I can select appropriate tools to collaborate and communicate confidently and safely with others within and beyond my school

I can exchange and share ideas with a wider audience, and evaluate my use of technology including the use of email, social networking, online gaming, and mobile phones and how I present myself online (CEOP Resources, Sexting, Internet Footprint and Traceability)

I understand the importance of protecting personal information, including passwords, addresses and images
